Join us during Hunger and Homelessness Awareness Week for a night that hits all the right notes — laughter, music, and making a real difference for pets and people in our community. We are thrilled to bring you Dueling Pianos Bingo, an unforgettable evening of plentiful appetizers, toe-tapping tunes, high-energy dueling piano fun, and friendly competition — all for a cause that matters.

Every ticket, every game, every cheer helps us build something life-changing: A new emergency and temporary housing facility for dogs and cats whose owners are experiencing hardship. This “Holding for Home” project will open in 2026 — at the St. Mary’s Community Service’s center, providing safe, loving care for animals while their people get back on their feet. With the help of our partners at The Vault, kennels will be built from converted containers, and the Animal Protection League will ensure every pet receives vital care including spay/neuter and vaccinations.

Most importantly, this program helps remove one of the biggest barriers faced by people experiencing homelessness — finding shelter when they have a beloved pet. By offering temporary, compassionate housing for animals, we’re helping people access the emergency services and housing they need without having to choose between safety, health and their beloved furry companions.

Your support helps reduce pet homelessness, fight unaffordable vet care, and give our neighbors peace of mind knowing their furry family is safe. So grab your friends, warm up your vocal cords, and get ready to shout BINGO! for a brighter, more compassionate community.

Together, we’re building hope — one note, one kennel, one paw at a time!

All Proceeds Will Create Temporary Animal Housing For:

Individuals Undergoing Medical Care with No Outside Support
Youth Escaping Abuse and Neglect
Women Overcoming Domestic Violence
The Houseless Population

Did you know? Up to 40% of women experiencing domestic violence delay leaving or are unable to escape their abuser because they don’t want to leave their pet behind* and few shelters for domestic violence will accommodate a pet. And, approximately 25% of homeless people refuse housing because their pet is not allowed.
